- Drastically improves your golf game
- Used by PGA professionals, teachers, tour players and numerous top rated facilities
- Unmatched variety to fit any and every golfer
- Beautiful lifelike appearance
- Fun for the whole family

SOFTLAWN® STI TOUR SHOT

BENEFITS

This dual-colored, sand filled putting surface features a texturized polypropylene yarn system designed to receive chip shots with natural ball roll and less maintenance than conventional sand-filled systems.

It is the policy of Synthetic Turf International to continuously improve their line of products. Therefore, Synthetic Turf International reserves the right to change, modify or discontinue systems, specifications and accessories of all products at any time without notice or obligation to purchaser. These are standard specifications subject to manufacturing tolerances and consumer requests.
